Dr. Joshua Lederberg,  
Department of Genetics,  
University of Wisconsin,  
MADISON, Wis.,  
U. S. A.

Dear Doctor Lederberg,

Many thanks indeed for the reprints "Genetic Exchange in Salmonella" (with the addendum included), "Replica plating and indirect selection of bacterial Mutants" and "Recombination analysis of Bacterial Heredity" which arrived safely.

Yours sincerely,

W. Robert Bailey,  
Bacteriologist,  
Enteric Laboratory.
